

District 3 Road Show

Conducted by members of A.A. District 3

Do you feel like your group has lost its sense of direction?

You're in luck because help is here!

A.A. District 3 members have banded together and are ready to travel to your home group to share our Experience, Strength and Hope but also to share information about the importance of 'Service Work' in your group and at the District 3 level. If your group doesn't have a General Service Representative, your group's voice cannot be heard. The GSR may be the most important job in A. A., becoming a GSR for your home group is a wonderful and exciting opportunity to see how A.A. works beyond the group level. Through your GSR, your group is strengthened by the shared experience of the other U.S. and Canadian groups, just as your own sobriety is strengthened by the shared experience of other A.A. members. There are many paths to sobriety but the road to recovery is the same for us all! A healthy group is a well informed group; explore ***Wilson and Smith's Way*** and become your group's liaison to the District, Area, Region and the World.

Please contact us at: info@aadistrict3.org if your group would like to have District 3 conduct a Road Show at your meeting place or if you know of someone who would like to become a GSR for your home group.
